Notice of Proposed Part 8 Development
Planning and Development Act 2000 (as amended) Part XI
Planning and Development Regulations 2001 (as amended) - Part 8

Applicant: Carlow County Council

Location: Long Range Road, Moneybeg, Bagenalstown, Co. Carlow

Proposal: Pursuant to the requirements of the above, notice is hereby given of Carlow County Council's intention to carry out various safety improvement measures to improve pedestrian access to the Queen of the Universe National School, Long Range Road, Bagenalstown as part of the Safe Routes to School programme. The works will consist of 'front of school' interventions in the form of a Schools Zone to increase road users awareness of the presence of vulnerable road users. The School Zone will use identifiable features, such as pencil shaped bollards and colourful road markings to highlight the presence of the school and encourage traffic to slow down, prevent parking on pavements and encourage drivers to make legal and safe drop-offs outside of the School Zone area. It is also proposed to introduce a one-way traffic system, southbound only, on Long Range Road (L-3020) from its junction with Regent Street (L-3024) to its junction with Royal Oak Road (R-724). The works will also include the provision of a new pedestrian crossing on Royal Oak Road.
