Land which satisfies the relevant criteria is a reference to land that—

(II) in a case in which the land is zoned in a local area plan, the objective, consistent with the objectives and core strategy of the development plan for the area in respect of which the local area plan is prepared, of development of land on a phased basis, included in the local area plan in accordance with section 19(2) of the Act of 2000,

on the date on which satisfaction of the criteria in this section is being assessed,

(I) either the inclusion in or exclusion from the final map of specific sites, or

(II) the date on which a site first satisfied the relevant criteria.

Submissions should include a name and address, reasons for inclusion or exclusion of lands, along with a map of scale 1:1,000 (urban area) or 1:2,500 (rural area) where the submission is made by a landowner, clearly identifying the area of land subject of the submission.

Any such written submissions received by 1st April 2025 other than such elements of a submission which may constitute personal data, shall be published on the website maintained by the local authority concerned not later than 11th April 2025.

The proposed inclusions and proposed exclusions on the annual draft map are subject to submissions received. Any landowners who supports the exclusion of their land should make a submission in support of such exclusion.

Rezoning Requests

Where land is identified on the final map for 2025, published on 31st January 2025, as being subject to the residential zoned land tax, a person may from 1st February 2025 to 1st April 2025, in respect of aforementioned land that such a person owns, make a submission to Carlow County Council requesting a variation of the zoning of that land. Any such submission should include evidence of ownership, detailed reasons for any rezoning request, which may include continuation of an ongoing economic activity, along with a map to a scale of 1:1,000 (urban) or 1:2,500 (rural) clearly identifying the relevant plot of land.

Any such written rezoning requests received by 1 April 2025 other than such elements of a submission which may constitute personal data, shall be published on the website maintained by the local authority within the relevant statutory period. A rezoning request acknowledgement letter containing details of the recent planning history of the land will be issued by 30th April from Carlow County Council to the landowner. This acknowledgement letter can be used to support a claim to an exemption from the tax arising in respect of the land which is the subject of the request for 2025. This claim must be made in the 2025 annual residential zoned land tax return, which must be made to the Revenue Commissioners on or before 23rd May 2025. Please see www.revenue.ie for details.

All rezoning requests made will be considered by the Local Authority having regard to the proper planning and sustainable development of the area.
