GENERAL

1. Datum for levels is OS Malin Head.
2. Verify existing levels prior to commencement of works. Report any discrepancies immediately to the Employer's Representative.
3. The locations shown for existing services are indicative only and may not be accurate. Furthermore, uncharted services may also be present. The Contractor should assume the existence of services unless proven otherwise.
4. It is the Contractor's responsibility to determine the existence and precise location of any service located within the site. All works shall be carried out in strict accordance with the document 'Code of Practice for Avoiding Danger from Underground Services' as published by the Health and Safety Authority.

Specification

5. All works to comply with the TII Specification for Roadworks unless otherwise noted.
