Re: Part 8 Process for Public Realm Project at Visual/Carlow College

Dear Kathleen,

I confirm that Carlow Arts Centre Ltd fully supports the proposed Part 8 process in respect of the public realm upgrade on the grounds of Carlow College at Visual as per the attached drawings.

We understand that the outcome of the Part 8 process will result in a capital development programme which will be fully funded and managed by Carlow County Council and supported by Failte Ireland. Furthermore, it is acknowledged that the project is designed to develop footfall in the area and to promote Visual as a key destination in Carlow Town.

We understand that following the successful completion of the Part 8 process, Carlow County Council will provide a dedicated point of contact for the building phase of the project.

Yours sincerely,
