## Litir Chumhdaigh

I live in Graiguenamanagh, the Barrow track/Line has been part of my life from childhood.

I would not like to see this wonderful amenity being destroyed, it is perfect as it is, no traffic or noise, birds singing all year long.

I never hear the walkers/joggers I meet complaining about the surface. Yes it floods in winter/Spring, but with the right

Footwear and rainwear it is walkable. It has peace and Serenity to calm ones soul. The further you walk the more peaceful it is.
