Comhairliúchán:

Draft Carlow County Development Plan 2022-2028

Litir Chumhdaigh

I live near the river Barrow I want to see it kept natural

Tuairimí:

Chapter 9: Landscape and Green Infrastructure

Caibidil: Volume 1: Written Statement » Chapter 9: Landscape and Green Infrastructure

The conservation of the flora and fauna along the banks of the barrow is extremely important as has previously been ruled. Also the objections to a blue way have already been strongly made and have not changed, this should not be in any development plan when already refused planning
